## 274 Dyke Road

Brighton, BN1 5AE

Situated North of the Seven Dials where a comprehensive range of bars, delis, cafes, restaurants and other entertainments are to be found. Both Preston Park and Brighton mainline stations are a short walk providing North bound commuters with links to London/the city. Renowned schools catering for all ages are well represented throughout the City, whilst regular bus services run by the property providing access into the City centre, the seafront and promenade.

Stepping through the automatic wrought iron gates, you will find parking for two cars to the right and a lush courtyard to the left. A black-and-white mosaic pathway guides you to the stained-glass front door, which opens into a welcoming vestibule. From here, the home unfolds into an impressive hallway, adorned with mosaic tiling and a staircase rising gracefully to the upper floors with stained-glass windows to the South elevation. There is a separate side entrance and a cloakroom. At the front of the home are two reception rooms. The larger serves as an elegant living room, featuring a working original fireplace, an impressive bay window, and detailed crown moulding. The second reception room with its sash window and decorative fireplace, offers versatility, ideal as a study or office.

To the rear lies the beautifully refurbished kitchen / dining and living area, the true heart of the home. The bespoke Shaker-style kitchen by DeVOL, is fully fitted with integrated appliances, including oven, combination microwave, induction hob, fridge, freezer, and dishwasher. At its centre, a substantial stone-topped island with double sink combines both function and style. This open-plan space flows effortlessly into the bright dining area, where bi-fold doors extend the living space onto a generous north-east facing garden. Thoughtfully landscaped, the garden offers multiple seating areas: a sunlit terrace to the right of the dining room, perfect for entertaining and alfresco dining and a covered decked area at the far end, ideal for year-round relaxation or evening drinks. Adjoining this, the expansive reception room, enhanced by an ornate ceiling, opens through further bi-fold doors to a tranquil courtyard complete with a charming water feature.

Ascending to the first floor, you will find four generously proportioned bedrooms arranged around a stylish family bathroom. The primary suite boasts an en-suite and elegant sash windows framing serene garden views. The secondary bedroom rivals the primary in size, complete with a decorative fireplace and built-in wardrobes. The third bedroom, intimate yet full of character, enjoys access to a balcony overlooking the front of the home, while the fourth is bright and welcoming, with decorative fireplace and bay windows capturing garden views, perfect for guest bedroom or nursery. The family bathroom has been beautifully designed, with a striking blue tile backsplash and bespoke wallpaper providing a refined backdrop. A freestanding bath takes centre stage, complemented by a separate shower, sink, and WC, combining luxury with practicality.
