96 Embankment House, 7 Fleet Street,

Positioned within the prestigious Embankment House, this remarkable penthouse presents a rare opportunity to acquire one of central Brighton's most impressive residences. Combining striking contemporary design with outstanding outside space, this is a home perfectly suited to those seeking sophisticated city living without compromise.

From the moment you enter, the sense of quality is immediately apparent. A spacious L-shaped entrance hall with elegant Amtico white ash flooring leads through to a breathtaking double-aspect living space, where floor-to-ceiling glazing frames the surrounding skyline and floods the apartment with natural light throughout the day.

The principal reception room opens seamlessly onto an expansive south-facing roof terrace, creating an extraordinary extension of the living space. From here, elevated views stretch across Brighton's iconic Victorian station roofline and towards the sea, while a bespoke outdoor kitchen and barbecue area with integrated marine television provides an exceptional setting for entertaining or simply unwinding above the city as the sun sets.

The bespoke kitchen has been thoughtfully designed with sleek high-gloss cabinetry, premium Okite composite stone work surfaces and a full range of integrated appliances, delivering both style and practicality in equal measure.

The principal suite offers a luxurious private retreat, complete with its own secluded roof terrace, floor-to-ceiling windows, a fitted walk-in wardrobe and a beautifully appointed en-suite shower room. A built-in projector cinema system and feature log burner elevate the space further, creating a boutique-hotel atmosphere rarely found in apartment living.
