GFF, 34 Buckingham Road

A beautifully presented ground floor garden flat, thoughtfully updated while retaining its period charm and character.

The spacious lounge is filled with natural light from a large bay window and features fitted blackout shutters, bespoke shelving, and original wood flooring. The current owner has carried out a series of sympathetic improvements, including double glazed sash windows throughout and an upgraded heating system (installed in 2018), all carefully balanced with the property's original features.

The bedroom is a well-proportioned double, offering high ceilings, a full-height fitted wardrobe, and additional overhead storage.

The kitchen has a charming cottage feel, complete with natural slate flooring, solid wood worktops, integrated appliances, and a well-designed layout with breakfast bar.

To the rear, the west-facing garden has been cleverly landscaped to create a peaceful and private retreat. A patio seating area enjoys the afternoon sun, complemented by an elegant lean-to veranda, allowing year-round use. There is also a useful home office space tucked neatly into a rear nook.

The bathroom, newly installed in 2025, is stylishly finished with a walk-in shower and fitted storage.

Situated on a quiet road, yet just moments from Brighton mainline station and Seven Dials, this property is perfectly positioned for convenience and lifestyle. An ideal purchase for first-time buyers or downsizers seeking a turnkey home.
